

FOREST BRIDGE SCHOOL

Parental Consent Form

Child's Name.....

At Forest Bridge School we strive to provide innovative, high quality learning opportunities as part of our broad and enriched curriculum. To this end we require your permission for your child to participate in a number of activities while they are here.

Please complete and sign each section.

1. INTERNET ACCESS

Acceptable Use Agreement

As part of the school's ICT programme we offer pupils supervised access to the Internet. In order to reduce the risk of accidentally accessing inappropriate material, the school employs a service provider that prevents access to listed undesirable sites; however, no system is fool proof.

We require your written permission for your child to have access to the Internet.

I understand that my child will use the Internet at school. I understand that the school will take all reasonable precautions to ensure that my child does not gain access to inappropriate material.

2. VISITS TO LOCAL DESTINATIONS

We sometimes organise visits to local destinations, such as the churches, shops or businesses within the village, or walks around the locality, to enhance the children's learning. You will be informed of all such visits prior to them taking place, but we will not seek further written consent. Risk assessments are always carried out and there is always adequate adult supervision. (Consent forms for all visits requiring transport and of longer than half a day's duration will be sent out separately for each trip).

I give permission for my child to be taken on a visit to a destination within walking distance of the school for no more than half a school day. I understand that the school will take all reasonable precautions to ensure my child's safety.

4. The use of films and video clips rated PG

We like to make use of modern technologies throughout the curriculum and sometimes take the opportunity to use feature films and associated resources for education or enrichment activities. There are occasions when the materials have been classified PG. We ask for your permission to use PG rated films that we deem to be acceptable for the age, maturity and well-being of your child.

I give permission for my child to watch films and clips that have a PG classification.

5. Issue of Birthday Lists

There are occasions when parents may request a list of children's birthdays to help arrange parties and/or other events to make the organisation easier. We would therefore ask your permission to allow us to authorise the issue of such lists.

I give my permission for my child's date of birth to be issued for this purpose.
